Frequently Asked Questions

How long does it take to repair or replace auto glass?

The time required for auto glass repair or replacement depends on the extent of the damage and the type of vehicle. Our technicians work efficiently to complete the job as quickly as possible without compromising quality.

Can you repair a cracked windshield?

Yes, we can repair a cracked windshield if the damage is within certain parameters. Our technicians will assess the crack and determine if it can be safely repaired or if a replacement is necessary.

Do you offer mobile auto glass services?

Yes, we understand that your time is valuable. That's why we offer mobile auto glass services, where our technicians can come to your location and perform the necessary repairs or replacements.

What types of auto glass do you work with?

At Auto Glass Shop Phoenix.com, we work with all types of auto glass, including windshields, side windows, rear windows, and sunroofs. No matter the make or model of your vehicle, we have the expertise to handle it.

Is your work covered by warranty?

Yes, we stand behind the quality of our work. We offer a warranty on our auto glass repair and replacement services to give you peace of mind.

How much does auto glass repair or replacement cost?

The cost of auto glass repair or replacement depends on various factors, such as the type of vehicle and the extent of the damage. We provide competitive pricing and transparent quotes, ensuring you receive the best value for your money.

Do you work with insurance companies?

Yes, we work with most insurance companies. We can assist you with the insurance claim process and ensure a smooth experience for you.
